

SUMMER READING for ELC 2021

We hope you and your child will read together every day this summer! Summer is a great time for enjoying books together, reading to your child, and letting them read to you. We would encourage you to read along with your child purely for fun. Let them read the words they know and you fill in the words they don't. Discuss the pictures. Ask questions about the characters and the story line. Include books in your routine every day!

Some of our favorite authors are:

Mem Fox
Arnold Lobel
Eric Carle
Jan Brett
Margaret Wise Brown
Beatrix Potter
Margret and H.A. Rey
Patricia Polacco
Ezra Jack Keats
Mo Willems

Authors of books that are a bit longer and good for several days or evenings of reading:

Roald Dahl
E.B. White
Kate DiCamillo
Mary Pope Osborne

Here are two good websites with specific book suggestions:
