

St. Nicholas Summer 2021

Safety Protocol and Guidelines

Camp Drop-Off Procedures

- Drop-off car line is open from 7:30-8:00am. Any campers arriving after the car line ends will have to be signed in at the camp desk. There will be no before camp care. Each day at drop-off a parent or guardian will be required to answer a series of screening questions for each of their children.
- The temperatures of all persons entering campus will be taken at the beginning of each day. If anyone has a temperature of 100.4 or greater, they will not be permitted to attend camp that day and must stay home fever free for 72 hours before returning to camp.

If the temperature is lower than 100.4 but symptoms are present, a camper may be sent home at the discretion of the camp director. In either case, the camper will not be able to be dropped off. Refunds will not be given in this instance. The person that signs the student in each morning will need to wear a mask; and have no symptoms or exposure themselves.

Camp Pick-up Procedures

- While campers may be picked up at any time, the traffic pickup line will run from 4:30-4:45pm.
- Campers not picked up at dismissal will transition to after camp activities.
- After-camp campers will be picked up in the camp office. After care is open until 6:00pm.
- Campers may not leave any belongings at camp overnight.

Participation in the St. Nicholas Camp is **COMPLETELY VOLUNTARY** and spaces are very limited.

- By voluntarily enrolling your child(ren) in St. Nicholas' Summer Camp, you acknowledge and agree that you are assuming the risk of possibly contracting COVID-19 by your child(ren) and members of your family.
- Further, you acknowledge and agree that you are voluntarily waiving any claim of liability against the school should your child(ren) and members of your family contract COVID-19 as a result of participating in Summer Camp.
- Further, you expressly agree to hold the school harmless should your child(ren) and members of your family contract COVID-19 as a result of your child(ren)'s voluntary participation in Summer Camp.

Daily Routines and Grouping

- Campers will be placed into groups as "grade entering." Our teacher to camper ratio of 1:15 ensures that classroom will not be crowded.
- Each Per CDC recommendations, campers will be grouped into cohorts. These cohorts will include approximately 10-15 students, depending on the size of the level. A cohort will stay together for the entirety of the day and will not have classes with campers from other cohorts.
- Masks will be worn by staff. Campers will be **required** to bring his/her own mask which will be worn as activities and conditions require. For example, not when outside or perhaps not inside if practicing social distance or if outside air is able to achieve a cross-ventilation. **IMPORTANT:** Please put names on masks.

Masks

- Each camper should wear a mask labeled with his or her name to school each day.
- Campers and employees will be expected to wear masks when inside except for designated times.
- Campers will not have to wear a mask when they are able to practice social distancing outside.
- Please consider sending a second mask with your camper so that the mask can be changed midway through the day.

Lunch, Snack Time and Water Fountains

- Snack and lunch will take place in classrooms or outdoors.
- We are not able to heat food nor can we store lunches in refrigerators.
- Please make sure campers are able to open any containers and or packaging.
- Please do not send any glass containers or bottles.
- Water fountains have been replaced in each cottage with a sensor-activated water bottle filler.
- Campers are encouraged to bring a water bottle labeled with his or her name to use and refill throughout the school day

Cleaning & Disinfecting

- Desks, chairs, shared materials and frequently touched surfaces will be disinfected in between each class.
- Bathrooms will be cleaned multiple times a day.
- Each night the school will undergo a thorough cleaning.

Handwashing

- We are fortunate to have sinks in our classrooms.
- Campers will be given time to wash their hands several times a day.
- Staff will provide handwashing and other best practice instruction to students throughout the summer.

Shared Materials

- Each group will have its own classroom art supplies and sports equipment.
- Any materials that need to be shared will be disinfected between different individuals using them.

Field Trips

- We will not take field trips this summer.
