GIVING FOOD, GIVING L♥VE

METROPOLITAN MINISTRY FOOD PANTRY

THANKSGIVING OUTREACH

Collection in Chapel – Nov. 4 through the morning of Nov. 22

Each year the youth of St. Martin of Tours Episcopal Church takes to heart the charge of loving their neighbors as they provide Thanksgiving dinner supplies for 20-25 families, with some extra items to help in the following days. The families are selected by Metropolitan Ministries, an outreach of the Episcopal churches in the Chattanooga area.

This year the students of St. Nicholas will be helping to collect items for those baskets that the families will pick up on the Sunday before Thanksgiving. Any items above what are needed will go to restock the food pantry at St. Martin's that is open every day for those who stop by seeking assistance from the church.
