

## ANGEL TREE OUTREACH 2019

Once again, as part of our Advent Outreach, St. Nicholas students and staff will participate in the Angel Trees Program. Our participation in this program gives St. Nicholas students and their families the opportunity to reach out to other children and their families to carry the spirit of St. Nicholas into the community.

### Instructions for Angel Trees

1. Choose the Angel tag you would like.
2. Tear off the TOP portion of the tag, fill in the blanks and PLACE in provided basket (this helps us keep track of which tags are taken).
3. Take the BOTTOM portion with you.
4. Buy the items for the child/adult on the tag. Please purchase at least 3 gifts including at least one clothing item.
5. Do NOT wrap the gifts. Instead place gifts inside the clear bag provided. **Please write the ID number and name of the Angel on the bag.**

**Return the gifts inside the bag to school by  
Friday, NOVEMBER 22nd**
