

# Math Activities for September

1. Each week pick one Bedtime Math box and one Math prompt to do. Your answers to the Math prompts should be written in "My Jumbo Journal" provided in the Math homework folder.

Students can answer using pictures, numbers or words.

2. Parents must initial the box for each activity. Students may color in the box.

## Homework Due Dates

September 13	September 20	September 27	
--------------	--------------	--------------	--

<p><b>Math Prompt 1</b></p> <p>Write the number word for each digit:</p> <p>1 2 3 4 5</p>	<p><b>Bedtime Math</b> @ <a href="http://www.bedtimemath.org">www.bedtimemath.org</a></p> <p>A new Math story every day.</p> <p>Read the story. Look at the images. Answer the questions with your family.</p>	<p><b>Math Prompt 2</b></p> <p>Show three different ways of making five</p> <p>Remember: Write answers in Jumbo Journal. Use pictures, numbers, or words</p>	<p><b>Bedtime Math</b> @ <a href="http://www.bedtimemath.org">www.bedtimemath.org</a></p> <p>A new Math story every day.</p> <p>Read the story. Look at the images. Answer the questions with your family.</p>
<p><b>Bedtime Math</b> @ <a href="http://www.bedtimemath.org">www.bedtimemath.org</a></p> <p>A new Math story every day. Read the story. Look at the images. Answer the questions with your family.</p>	<p><b>Math Prompt 3</b></p> <p>Show four different ways of making six</p> <p>Remember: Write answers in Jumbo Journal. Use pictures, numbers, or words</p>	<p><b>Bedtime Math</b> @ <a href="http://www.bedtimemath.org">www.bedtimemath.org</a></p> <p>A new Math story every day. Read the story. Look at the images. Answer the questions with your family.</p>	<p><b>Math Prompt 4</b></p> <p>There were five cats sleeping on the couch. Two more cats joined them. How many cats are on the couch now?
