COMMUNICATION TO PARENTS

TEXTING SERVICE:

***Recipients MUST OPT-IN for this service.**

We use this system for major announcements such as school closings or delays. If you have a text message plan, these messages will be included in that plan; otherwise, standard text message charges apply. To opt in, **text the word ALERT to 22300** or visit www.OneCallNow.com/TextAlerts. **PLEASE NOTE: take a moment to listen to or read any message sent through the alert system, before immediately calling the school.** *Nearly every time we've used the system, within minutes we get numerous phone calls asking why we've called.*

WEEKLY CALENDAR:

Most of our communication is done via email. The Weekly Calendar, which covers upcoming event details, is emailed at the end of each week and posted on the website secure parents' portal.

Please make sure we have your accurate email address on file. If it has changed, send the updated information to kdaugherty@stns.org - also make sure you have allowed kdaugherty@stns.org as part of your contact list. In the event you are not receiving messages from us weekly during the school year, check to make sure our messages are not in your spam or junk folder.
